

ENVIRONMENT, HEALTH & SAFETY POLICY

At Pavit Ceramics, **Occupational, Health and Safety of Employees and other stakeholders and protection of environment** is our prime concern and important objective. We are conscious of our responsibility for creating, maintaining and ensuring safe and clean environment; reduce health and safety hazards through application of technology and safe work practices for sustainable development while manufacturing vitrified tiles.

We are committed to;

1. Prevention of industrial risk rather than detection and rectification and its adverse impact on the environment and minimize the accident;
2. Follow safe work practices and continually improve the effectiveness of system;
3. Creating an environment of teamwork as well as increase the system awareness to all employees;
4. Conserve natural resources by their responsible and efficient use in all our operations and thus preventing pollution;
5. Comply with relevant laws and regulations as well as take any additional measures considered necessary;
6. Preserve the health, safety and the environment of plant and its neighborhood;
7. Make this policy available to the interested parties.
