

QUALITY POLICY

Our Quality Policy is committed to manufacture & supply premium quality **Pavit Brand Vitrified Pavement Tiles and Glazed Vitrified Tiles** following professional standards, ethics and applicable regulatory requirements. We determine to strive continuously to achieve more and more Customer satisfaction by motivating our work force, proper utilization of resources and through up-gradation of process equipment.

We are also committed to implement and maintain our IMS as per **ISO 9001:2015** standard and continually improve the same in all areas of our operation. We shall also review this Quality policy at a defined interval for its continuing suitability and shall review as required to provide space for the company to move forward.
